<i>Target Fund Balance for Emergency Fund</i>	<i>3,500,000</i>							

Notes:

- 1 Property tax forecast provided by the Office of Performance, Strategy, and Budget on 3/20/11.
- 2 Interest earnings based on average daily cash balances considering the timing of flood levy receipts and transfers to the operating and capital funds.
- 3 Miscellaneous revenue due to multiple sources such as state forest sales, private timber harvest tax, rent from tenants of acquired real estate, and immaterial corrections from prior years.
- 4 Estimation of delinquent River Improvement Fund Levy receipts based on past agency experience.
- 5 The ICRIF amount is based on the 1914 Inter-County Agreement for improvements to the White River.
- 6 Contribution of fund balance from the old flood capital fund 3180, which was dissolved by the King County Council in January 2011.
- 7 Costs based on contract established under FCD 2008-07 for District executive services, includes communications, legal, and accounting services. Costs inflated at 3% beginning in 2013
- 8 The "Levy Suppression Payment" is the amount paid to senior taxing districts in 2011 to allow the Flood District to continue collecting levy revenue.
