Join the Snoqualmie Tribe as we begin to restore Riparian Habitat along the Snoqualmie River as part of the Haffner-Barfuse Floodplain Restoration Project. This planting is part of larger salmon recovery floodplain reconnection project in partnership with King County. The goal of this project is to restore at least 30 acres of past agricultural land to healthy main river floodplain riparian forest.

Dress for the weather: rain gear, boots and clothes you don’t mind getting dirty! The event will happen rain or shine. Please bring your own water bottle/reusable mug, we will provide tools and snacks.

Parking: 33216 WA-202
Fall City, WA 98024

*Look for our event signs

Please RSVP to help us better prepare:
