Summary Table of DNRP's 2016 Parks Levy – Regional Open Space Acquisition Proposals**

Reviewers, please note:

- Projects are ordered by WRIA, listed alphabetically within each WRIA in the order listed below.
- **Please refer to applicants' CFT applications for project descriptions, actual funding request amounts and maps.**
- Most projects seek both Parks Levy & CFT funds. **However, one project seeks only Parks Levy funds (no CFT funds): Eastside Rail Corridor (page 15).** Therefore this project has not submitted a separate CFT application. Please refer to the description and maps in this packet.
- Proposed "Parks Levy – Regional Open Space Acquisition funds" are referred to as "Parks Levy" in this document.
