

**AMENDMENT TO THE CONSERVATION FUTURES
INTERLOCAL COOPERATION AGREEMENT
BETWEEN KING COUNTY AND CITY OF DES MOINES
FOR OPEN SPACE BOND ACQUISITION PROJECTS**

Preamble

The King County Council, through Ordinance 9128, has established a Conservation Futures Fund and appropriated proceeds to King County, the City of Des Moines, and certain suburban cities. Ordinance 9430 provided for the use of Conservation Futures Funds collected in the years 1990 through 1993 for the completion of projects as set forth in Ordinance 9071. This amendment is entered into to provide for the allocation of additional funds made available for project completion. The parties have agreed to amend the existing Interlocal Cooperative Agreement to provide for additions in the references to the fund allocation.

THIS AMENDMENT is entered into between the CITY OF DES MOINES ("City") and KING COUNTY, and amends and attaches to and is made a part of that existing Interlocal Cooperation Agreement entered into between the parties, dated the 5th day of June, 1990.

The parties agree to the following amendments:

Amendment 1: Article I. Recitals

The fourth paragraph of the Recitals Section is hereby amended to provide for the 1993 allocation, and hereafter reads:

Parkside Wetland

"On October 17, 1994, the King County Council passed Ordinance 11531, which authorized expenditure from the Conservation Futures Contingency project of \$180,000 for the Parkside Wetland Project. The Council authorized the King County Executive to amend the interlocal agreement with the City of Des Moines in order to initiate this approved payment."

Amendment 2: Article VII, Responsibility of County

The first two sentences of this article are amended to include Attachment C, which provides a copy of Ordinance 11531 authorizing this expenditure, and hereafter reads:

"Subject to the terms of this Agreement, the County will provide Conservation Futures Levy Funds in the amount shown in Attachments A, B and C. The City may request additional funds; however, the County has no obligation to provide funds to the City in excess of the amount shown in Attachments A, B and C."

In all other respects, the terms, conditions, duties and obligations of both parties shall remain the same as agreed to in the Interlocal Cooperative Agreement.
