

AMENDMENT TO THE INTERLOCAL COOPERATION AGREEMENT
BETWEEN KING COUNTY AND THE CITY OF KENT
SUBURBAN CITY OPEN SPACE ACQUISITION PROJECTS

Preamble

The King County Council, through Ordinance 9128, has established a Conservation Futures Fund and appropriated proceeds to King County, the City of Seattle, and certain suburban cities. Ordinance 9430 provided for the use of Conservation Futures Funds collected in the years 1990 through 1993 for the completion of projects as set forth in Ordinance 9071. This amendment is entered into to provide for the allocation of additional funds made available for project completion. The parties have agreed to amend the existing Interlocal Cooperative Agreement to provide for additions in the references to the fund allocation.

THIS AMENDMENT is entered into between the CITY OF KENT ("City") and KING COUNTY, and amends and attaches to and is a part thereof of the existing Interlocal Cooperation Agreement entered into between the parties, dated the 29th day of January, 19 91.

The parties agree to the following amendments:

Amendment 1: Article 1. Recitals

The third paragraph of the Recitals Section is hereby amended to provide for future allocations of Conservation Futures Funds. The opening sentence of paragraph three hereafter reads:

The Open Space Citizens Advisory Committee has recommended allocation of conservation Future Funds from the suburban City Open Space Acquisition Projects following notification to the suburban cities that funds were available, provision of an opportunity for the suburban cities to respond and receipt by the committee of requests for funding, all pursuant to Ordinance 8867.

The fourth paragraph is also amended to provide for the 1990 allocation, and hereafter reads:

On September 16, 1991, the King County Council passed Ordinance 10104, which appropriated a total of \$1,100,000 in Conservation Futures Levy proceeds to suburban cities. The Council, by Motion 8361, has approved the allocation of 1990 Conservation Futures Funds to the suburban cities and authorized the King County Executive to enter into interlocal cooperation agreements with the suburban cities in order to initiate the approved projects.
