Preamble

The King County Council, through Ordinance 9128, has established a Conservation Futures Levy Fund and appropriated proceeds to King County, the City of Seattle, and certain suburban cities through the procedures set forth in Ordinance 8867, as amended by Ordinance 14714. This amendment is entered into to provide for the allocation of additional funds made available for open space acquisition.

THIS AMENDMENT is entered into between the CITY OF SEATTLE and KING COUNTY, and amends and attaches to and is part thereof of the existing Interlocal Cooperation Agreement entered into between the parties on the 5th day of June, 1990, as previously amended.

The parties agree to the following amendments:

Amendment 1: Article 1. Recitals

A paragraph is hereby added to the Recitals Section to provide for a Conservation Futures Levy Fund allocation for the Urban Village Park (Crown Hill), Northgate Park (Hubbard Homestead Park), and Webster Park acquisition Projects, and hereafter reads:

- On November 23, 2009, the King County Council passed Ordinance 16717, which appropriated a total of Two Million Six Hundred Thousand Dollars (\$2,600,000) in Conservation Futures Levy proceeds to the City of Seattle for the Urban Village Park (Crown Hill), Northgate Park (Hubbard Homestead Park), and Webster Park acquisition Projects. On May 24, 2010, the King County Council passed Ordinance 16842, authorizing the King County Executive to enter into interlocal agreements with the City of Seattle and the suburban cities for the disbursement of Conservation Futures Funds in Ordinance 16717.

Amendment 2: Article V. Conditions of Agreement

Section 5.1 is amended to include Attachment Y, which lists 2010 Conservation Futures Levy Allocations for the Urban Village Park (Crown Hill), Northgate Park (Hubbard Homestead Park), and Webster Park acquisition Projects.

Amendment 3: Article VII. Responsibilities of County

The first two sentences of this article are amended to include Attachment Y, which lists 2010 Conservation Futures Levy proceeds allocations for the Urban Village Park (Crown Hill), Northgate Park (Hubbard Homestead Park), and Webster Park acquisition Projects:

Subject to the terms of this agreement, the County will provide Conservation Futures Levy Funds in the amounts shown in Attachments A through Y to be used for the Projects listed in Attachments A through Y. The City may request additional funds; however, the County has no obligation to provide funds to the City for the Projects in excess of the total amounts shown in Attachments A through Y. The County assumes no obligation for the future support of the Projects described herein except as expressly set forth in this agreement.

Amendment 4: Attachment Y

The attachments to the interlocal agreement are hereby amended to include references to Attachment Y, which is hereby attached to the interlocal agreement, incorporated therein, and made a part thereof.

In all other respects, the terms, conditions, duties, and obligations of both parties shall remain the same as agreed to in the Interlocal Cooperation Agreement as previously amended.

Project Descriptions:

315444 Urban Village Park (Crown Hill)

This is a passive park in the Crown Hill neighborhood located on Northwest 90th Street and 15th Avenue Northwest. The property was acquired from the Seattle School District in 2009, which determined that the site was surplus to the needs of the District.

315445 Northgate Park (Hubbard Homestead Park)

This 3.73 acre project is a passive open space in the Northgate neighborhood of Seattle. The site, a former Park and Ride lot that was moved to another location, was acquired in 2009. The site is in a densely populated neighborhood and will help provide much needed open space in an underserved area as it continues to grow.

315446 Webster Park

This 0.8 acre open space acquisition project, on the site of the former Webster Elementary School in the Ballard neighborhood, was acquired from the Seattle School District in 2009. The project provides passive open space in a neighborhood underserved with open space.
