

King County Conservation Futures Advisory Committee

MINUTES

Tuesday, May 4, 2021

4:30 PM – 8:00 PM

Teleconference

1. Welcome, Updates

Mark Johnsen opened the meeting, and reviewed the plan for the evening. Mark noted that in the fall there may be a special meeting, and an equity and social justice training opportunity. Mark and Terry Lavender discussed a letter they are preparing for King County Council, noting the importance of the Committee make recommendations for both Conservation Futures and Parks Levy funding.

2. Approval of Minutes of April 29, 2021 Meeting

The minutes of the April 29, 2021 meeting were approved as distributed electronically.

3. Scope Addition Request

Andrea Mojzak presented a scope addition request to add parcel 1524079080 to the scope of the Snoqualmie at Fall City awards. The Committee approved the scope addition.

4. Review of Applications for 2022 CFT and Parks Levy

The Committee continued the discussion of applications for CFT and Parks Levy funding. The Committee reviewed all projects to discuss funding recommendations. The Committee then finalized its recommendations for all projects. The Committee approved the leadership team and Ingrid finalizing the annual & bond CFT recommendations.

Meeting adjourned at 7:20 pm.
