Cedar River Council

February 27, 2018

7:00 PM - 9:00 PM

Maplewood Greens Golf Course

(4050 Maple Valley Highway, Renton, WA 98058)

- 7:00PM - **Public Comments:**
- 7:10 PM - **Continued Discussion and Public Comment: Proposed Maple Valley Asphalt Facility (HWY 169):** During this period the public will have the time to provide public comment to the Cedar River Council. The CRC will listen to comments and concerns voiced by citizens about this proposed asphalt plant. The format for presenting public comment might be different than the typical method for providing comments at public meeting if the demand is high. Instructions for this alternative public comment format will be provided at the meeting. The CRC's intent for this period is to ensure that all concerned citizens will have an opportunity to have their concerns and request heard.
- 8:00 PM **CRC Work Plan and Schedule Work:** CRC will work to establish their 2018 work program and meeting schedule. Please review the CRC 2017 work program document. See attached. Each CRC member should identify your top 3 issues/topics/priorities to include in the 2018 work plan.
- 8:50 PM **Updates & Announcements**
- Standing items on the agenda:
 - WRIA 8
 - Fish Counts / Issues
 - River Conditions / Issues
- 8:55PM - **Public Comment Period**
- 9:00PM - **Adjourn**
