Section 1. The following additional taxes, as Supplemental Levies (in addition to and not in replacement of the levies authorized by the voters in the February 2010 election) for the District's General Fund should be levied upon all of the taxable property within the District in excess of the maximum annual tax levy permitted by law to be levied within the District without a vote of the electors:

- A. \$4,500,000, said levy to be made in 2010 for collection in 2011;

- D. \$2,600,000, said levy to be made in 2013 for collection in 2014.

The estimated levy rate depends upon the final dollar amount of assessed value of the property within the District. At this time, based upon information provided by the King County Assessor's office, the estimated added levy rate for the 2010 levy is \$.20 per thousand dollars of assessed valuation, the estimated added levy rate for the 2011 levy is \$.10 per thousand dollars of assessed valuation, the estimated added levy rate for the 2012 levy is \$.11 per thousand dollars of assessed valuation; and the estimated added levy rate for the 2013 levy is \$.11 per thousand dollars of

assessed valuation. The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy. Upon approval by the voters of the proposition substantially in the form set forth below, the District may use the proceeds of said levies during the 2010-2011, 2011-2012, 2012-2013, 2013-2014 and 2014-2015 school years by incurring an indebtedness by the issuance of short term obligations against the General Fund of the District, as authorized by Chapter 39.50 RCW, and may expend the proceeds of said levies to pay such part of the general expenses of maintenance and operations of the District during such school years as may be authorized or allowed by law for the use of excess levy funds.

Section 2. It is hereby found and declared that the best interests of the District require the submission to the qualified electors of the District of the proposition of whether or not the District shall levy such excess tax for their ratification or rejection at a special election to be held therein on August 17, 2010.

The King County Records and Elections Division, as ex officio supervisor of elections in King County, Washington, is hereby requested to call and conduct said special election to be held by all mail-in ballot, within the District on said date and to submit to the qualified electors of the District the proposition (Proposition No. 1) substantially in the form hereinafter set forth.
