

Preliminary Summary- Inventory of King County Projects and Programs with Federal Links, Potentially Affected by the Chinook Listing under the Endangered Species Act

DRAFT 2/27/98

King County Division and Program	Contact	Project	Federal Link: Permit, Funds or Mandate (1)	Public Safety or health concerns	Federal Agency (2)	Possible Impacts			Status of project	Comments
						Habitat Impacts	Water Quality Impacts	Water Quantity Impacts		
DEPARTMENT OF NATURAL RESOURCES										
Water and Land Resources Division										
River Management	Dave Clark 296-8388	Major River Facility repair-35 projects for flood and erosion control facilities	F,P,M	Yes, critical	FEMA USCOE NFIP	X			Design	(total cost \$2.5 million) Could loose \$2.2 M of federal funds if not constructed this summer
	Dave Clark 296-8388	Home elevations and buyouts in flood hazard area	F	Yes	FEMA NFIP		x		Planning	Pending Flood Hazard Mitigation grant approval
Regional Watershed Services	Luanne Coachman 296-8381	Countywide Stormwater NPDES Program -Water quality compliance, roads maintenence, watershed management, waterbased CIP programs, drainage O&M, etc	P,M	No	EPA- NPDES	x	x		Ongoing	
Local Drainage	Ken Krank 296-8172	Maintenance of drainage facilities, construction of retrofit projects, flood and erosion mitigation projects	F,P	Yes	FEMA USCOE EPA	x	x	x	Ongoing	

King County Division and Program	Contact	Project	Federal Link: Permit, Funds or Mandate (1)	Public Safety or health concerns	Federal Agency (2)	Possible Impacts			Status of project	Comments
						Habitat Impacts	Water Quality Impacts	Water Quantity Impacts		
Basi CIP	Randall Parsons 296-8016	Des Moines Creek Basin – CIPs	F,P,M	No	USCOE, maybe FAA	x		x	Design 1998	
	Randall Parsons 296-8016	Implementation of RNA CIP projects	P,F,M	Yes	USCOE FEMA	x		x	Planning 1998 Final design 1999	
	Randall Parsons 296-8016	Green Duwamish Ecosystem Restoration Study	P,F,M	No	USCOE	x	x		Planning	
Ecological Services	DeeAnn Kirkpatrick	Large CIPs -12 projects for fish passage improvements, flood reduction, habitat restoration, lake aeration	P	Majority-No	USCOE	x	x		Planning and design 1998-2000	
	DeeAnn Kirkpatrick 296-8042	Drainage and Habitat Improvements (13 drainage projects)	P	Possibly Yes	USCOE	x	x	x	Planning and design 1998-2000	
	DeeAnn Kirkpatrick 296-8042	Small Habitat Restoration Program (11 projects)- includes projects under \$30,000	P	No	USCOE	x	x		Planning and design 1998-2000	Shorterm construction impacts, overall benefit to fish
Monitoring, Analysis and Assessment	Kristi, Silver 296-8043	Habitat Enhancement (3 projects)	P,F,M	No	NOAA USCOE	x	x		Planning and construction	
	Randy Shuman 296-8243	Puget Sound Ambient Monitoring-sediment and water quality bio. Monitoring	F,M	No	USEPA	x	X		Ongoing	

King County Division and Program	Contact	Project	Federal Link: Permit, Funds or Mandate (1)	Public Safety or health concerns	Federal Agency (2)	Possible Impacts			Status of project	Comments
						Habitat Impacts	Water Quality Impacts	Water Quantity Impacts		
Green River	Clint Loper 296-8378	Ecosystem Restoration Study 16 Early Action Projects	P, F	No	USCOE NOAA	x	x	X	Planning and Design (built by 1999)	Combined funding from federal, county and city funds (\$4.5 M total)
Cedar River	John Lombard 296-8051	Renton Dredging at mouth of river (\$8 million)	P,F	Yes	USCOE	x	x		Design	Renton and USCOE is lead
	John Lombard 296-8051	Fish Passage at Ballard Locks	P,F	No	USCOE	x			Planning and Design	USCOE is lead with local sponsors
Snoqualmie Watershed	Kirk Anderson 296-1948	Korn property-wetland restoration and fish habitat improvement	P,F,M	Yes	USCOE USF&W	X	x		Planning	
Marketing Commission										
	Dan Klusman 296-4439	Climate Change Action Grant- recycled product retail campaign	F	No	EPA				Ongoing	
Solid Waste Division										
Solid Waste	Kevin Kiernan 296-4419	Operation of the Solid Waste Handling System under NPDES	P	Yes	EPA NPDES		x	x	Ongoing	

King County Division and Program	Contact	Project	Federal Link: Permit, Funds or Mandate (1)	Public Safety or health concerns	Federal Agency (2)	Possible Impacts			Status of project	Comments
						Habitat Impacts	Water Quality Impacts	Water Quantity Impacts		
Wastewater Division										
	Doug Houck	Outfalls (7 projects)- construction and cleanup	P	Yes	USCOE	X	x	x	Predesign	
	Stan Hummel 684-1844	Streambank stabilization	P	Yes	USCOE	X	x		Predesign	
	Elsie Hulsizer	- Wastewater NPDES-biosolids application, combined sewer overflow treatment plants, pretreatment programs	P,M	Yes	NPDES-EPA	X	x	x	Ongoing	
	Mann-Ling Thilbert 684-6785	Sewer pipes replacement or installations (2 projects)	P	Yes	USCOE		x		Predesign Construct 1999	
	Pat Romberg 296-8251	Contaminated Sediment Remediation (2 projects)	P,M	Yes	USCOE NOAA	X	x		Rebid, construct Oct 98	
	Greg Bush 684-1164	Renton Fuel Cell Investigation	P,F	No	EPA				Predesign	

King County Division and Program	Contact	Project	Federal Link: Permit, Funds or Mandate (1)	Public Safety or health concerns	Federal Agency (2)	Possible Impacts			Status of project	Comments
						Habitat Impacts	Water Quality Impacts	Water Quantity Impacts		
DEPARTMENT OF TRANSPORTATION										
Road Services Division										
Road Maintenance Division	Jon Cassidy 296-8148	21 operating gravel pits	P	No	EPA-NPDES	some	some	some	Ongoing operations	
	Pat Bohar 296-8251	32 emergency road repair projects due to flood damage	F	Yes, critical public safety	FEMA	x	x	x	Design in next 12-24 months	
Engineering Services	Ron Melnikoff 296-3735	33 projects- bridge replacement and repair, large arterial improvements, stream relocation, culvert replacement 23 projects-federal permit 21projects –funding	F,P	Yes, critical public safety	FHA.	x	x	x	Construct 1998	

King County Division and Program	Contact	Project	Federal Link: Permit, Funds or Mandate (1)	Public Safety or health concerns	Federal Agency (2)	Possible Impacts			Status of project	Comments
						Habitat Impacts	Water Quality Impacts	Water Quantity Impacts		
DEPARTMENT OF CONSTRUCTION AND FACILITIES MANAGEMENT										
King County Int'l Airport	Cynthia Stewart 296-7380	Broad range of CIPs for airport maintenance and redevelopment	F,P	N	FAA NPDES		x		Planning	\$7.8 million FAA eligible
KING COUNTY EXECUTIVE										
Office of Budget and Strategic Planning	Jackie Kirn 296-3455	Economic Development and housing projects(8 projects)	F	N	IRB CDBG	?	?	?	Various stages	\$67.5 million dollars of projects
DEPARTMENT OF DEVELOPMENT AND ENVIRONMENTAL SERVICES										
	Joe Miles 296-7179	Review applications that ultimately need a federal permit to be complete.	?	Y						Need to ask NMFS

(1) P= federal permit; F= federal funding; M= federal mandate

(2) FEMA= Federal Emergency Management Administration; EPA= Environmental Protection Agency; USCOE= Army Corps of Engineers; NOAA= National Oceanographic and Atmospheric Administration; FAA= Federal Aviation Administration; IRB= Industrial Revenue Bonds; CDBG= Housing and Urban Development -Community Development Block Grants; NFIP= National Flood Insurance Program; USF&W= U.S. Fish and Wildlife Service
