## Vehicle Contract Ordering Procedures (Non Automated)

**NOTE:** For internet subscribers, with E-Mail capability, an automated on line requisition form for each vehicle classification is at web site <http://des.wa.gov/services/Travel/VehiclePurchasing>

The step by step directions below with attached sample requisition and Price Sheet/ Order Form are provided as a guideline to assist you in manually placing your vehicle order on the State of Washington Automobile/ Police Vehicle/ Light Trucks & Vans contracts. The manual ordering procedure is as follows:

**TO ORDER YOU NEED TO BE A SUBSCRIBER TO THE STATE PURCHASING COOPERATIVE and all orders are to be submitted on a State of Washington Purchase Requisition Form A15-A (copy attached).**

**NOTE: DEALERS WILL NOT ACCEPT ORDERS DIRECTLY FROM YOUR ORGANIZATION. YOUR REQUISITION IS TO BE SENT DIRECTLY TO THE OFFICE OF STATE PROCUREMENT FOR PROCESSING. FAILURE TO DO SO MAY RESULT IN THE LOSS OF YOUR ORDER AND/OR DELAY IN THE ORDERING AND DELIVERY OF YOUR VEHICLE.**

To complete a manual purchase requisition, refer to the numbers below with the corresponding numbers on the attached sample requisition. You need only fill in the areas listed below.

- (1) Ordering Agency Name - Enter your organization name and address
- (2) Agency Number - Political Subdivisions enter the Intergovernmental Cooperative Purchasing Agreement Identification Number previously furnished to you. (if unknown call (360) 902-7415) Location and mail stop blocks may be left blank for political subdivisions and non-profit organizations.
- (3) Date Ordered - Enter today's date.
- (4) Date Needed - Leave blank or enter number of days allowed for delivery as shown on the contract.
- (5) Requisition Number - Enter internal requisition number assigned by your organization.
- (6) Contact Person - Enter your agency contact person and phone numbers for the Contract Specialist to call if there are any questions on your order.
- (7) Ship Goods To - Enter the address where the vehicle is to be delivered (not a PO Box). If vehicle is to be picked up, enter selling dealer's address or state "Agency will pick up". Enter agency number, location and mail stop codes if known.
- (8) Mail Invoices To - Enter the organization name/ address where bill should be sent. Indicate if more than one copy of the invoice is required. Enter agency number, location and mail stop codes if known.
- (9) Body of Requisition - Organization internal Requisition/ Purchase Order and/ or vehicle numbers, if any that you want referenced on the state PO.
- (10) Body of Requisition – Email Address to send PO to. Email address of the person you want us to send your copy of the PO to. (Alternatively, if no email address provide a fax #)
- (11) Body of Requisition - Organization delivery contact person and phone numbers for the dealer to coordinate delivery. Indicate receiving hours/ days contact person is available.

- (12) Body of Requisition - Identify Organization name/ address for title application (Legal & registered owner) exactly as you want it to appear on the title. Street Address is required, not a PO Box for the registered owner
- (13) Signature Line - Identify person authorizing this purchase, their title in your organization , and obtain their signature.

To order the specific vehicle(s) and the options you require, make a copy and then complete the appropriate vehicle contract "price sheet/ order form." Simply enter the quantity of each color and all commodity codes required in the spaces provided. (See Sample) You may order more than one vehicle per classification with like equipment, but do not mix vehicles with unlike equipment other than color, on the same requisition. To process the order it is not necessary that you calculate and total price extensions, but spaces are provided should you desire to know your total cost. (The state purchase order will show all price extensions and a subtotal before sales tax).

Once completed, you may mail your requisition and price sheet/ order form to the address in the upper right corner of the form or, preferably, fax it to (360) 664-2668 (to avoid possible duplication of your faxed order, please do not send a confirming hard copy). After processing, Master Contracts and Legal will e-mail you a copy of the State Purchase Order for your vehicle(s) at the same time the dealer is sent their copy. Remember, a confirming hard copy will not be mailed. **(When received, please check your order for any errors or duplication of any previous order. Advise this office of any errors or discrepancies immediately.)** If you do not receive your order back within 3 days, notify this office at (360) 902-7193).

After the purchase order is issued completion of the order is the responsibility of the dealer and yourself. Please do not, however, unnecessarily contact the dealer during the delivery time period. Also, if you have a requirement for general information or equipment changes please contact this office. In case of a late delivery exceeding 14 calendar days, contact both the dealer and this office.

Upon delivery, your payment is to be made directly to the dealer within 30 days of receipt/ acceptance of the vehicle(s). (If you are able to pay even sooner after delivery you may be able to reduce the price of your vehicle as some of our dealers have a Prompt Payment Discount.) It is important that payment be made within the 30-day time period as the dealers must pay significant interest charges for financing vehicles. The number of firms bidding and bid prices received in the future will be directly related to the timeliness of your payments on this contract. Additionally, the contract has a provision for a 1% late payment penalty.
