

# RECYCLING & COLLECTION EVENT

**Date: Saturday, July 21, 2007**

**Time: 9:30am - 4:00pm** (No vehicles admitted after 4 pm)

**Location: 18120 NE 76th Street**

(City of Redmond Maintenance & Operation Center)

**Attention!** Special no advance scheduling curbside electronic unit pickup by Waste Management between July 9th and August 3rd (details under Station 1).

**Note!** Vehicles not in compliance with event requirements and restrictions will be denied entry. Vehicles may return only after the unacceptable items have been removed. A new law requires drivers to secure their loads when using public streets. When coming to the event, participants not complying with the law can be fined. All participants must strictly follow the event route as shown on the map; please be patient and flexible. The drop-off stations are set up in numbered order as listed by each material below. To quickly and easily unload at each station, please pack your items for the stations in DESCENDING ORDER - last item placed in your vehicle will end up being the first item out! A loading tip: the higher the station number for a material, the earlier that material should be loaded into your vehicle.

## Stations 1 through 8 are open to EVERYONE

No pass or proof of Redmond city-limit residency is required to drop off materials at Stations 1 through 8.

### ENTRY & CHECKPOINT

Upon your arrival at the entry, greeters will verify the acceptance of materials and proof of Redmond city-limit residency for stations 9-13. Please read the following information carefully and follow the rules and restrictions, which will be strictly enforced.

#### Station 1 TV SETS\*, MONITORS\*, COMPUTERS\*, COPIERS\*, STEREOS\*, PRINTERS, & PC ACCESSORIES

July 9 to August 3, 2007, Waste Management customers who have recycling service and live within Redmond city limits may place select electronic units curbside for FREE pickup WITHOUT having to call Waste Management in advance. All units marked with "\*" (except for TV sets 22" or larger) may be set out at the curb two-feet away from your blue recycling bin on your usual garbage pickup day ONLY between July 9th and August 3rd. You may still schedule a free pickup of these units by calling Waste Management at 425-814-1695 for weeks other than between July 9 and August 3, 2007.

Please note, EVERYONE dropping off these units at the event will be charged according to the following rates, regardless of owner's residency. As all of these items contain hazardous materials, we must send them to a certified processor and pay for their proper handling and disposal. The fees charged for items (working or non-working): \$15 - TV set; \$10 - PC (desktop or laptop), monitor, copier, or stereo. **We accept checks only. Please prewrite your checks to "City of Redmond" and pay at the drop off point.** (For free disposal or buy back potential of working computers and/or monitors, please call Computer Surplus at 425-497-1945 or visit their store at 16715 Cleveland St.)

The following **working** items will be collected for **free**: Printers, fax machines, telephones, modems, speakers, networking devices, computer accessories such as keyboards, mice, cables, UPS, etc. Please discard any **non-working** items as bulky garbage at Station 9.

#### Station 2 TIRES

Light truck, car and motorcycle tires. Bias, steel belted and studded tires are okay. First 6 tires free; \$1.50 for each additional tire and \$2.00 for every tire on rim, with check ONLY made payable to "City of Redmond".

#### Station 3 HOUSEHOLD GOODS

Clothing, textiles including rags, books, furniture, etc. Furniture items must be reusable as is. No mattresses (but accepted at Station 9). Tax receipts available. Any items that need repair will be accepted as bulky garbage at Station 9.

#### Station 4 BATTERIES

Lead acid batteries: car, truck, marine and motorcycle. Household batteries: Alkaline AAA, AA, B, C, D Cells (6 volts or less only), nickel cadmium, mercury, lithium, silver, and small lead-acid (computer and telephone) batteries. Please sort according to types and sizes.

#### Station 5 LASER/INK JET CARTRIDGES, CELL PHONES\*\* & PAGERS

ALL laser/ink cartridges (often called bubble jets) used in printers or fax machines. The vendor will pay \$2.00 each for most VIRGIN cartridges. Previously recharged cartridges will not be bought back but will be accepted free of charge. ALL types of cell phones\*\* and pagers accepted. The vendor will pay \$1.00 for most working

cell phones. If you have a large amount of any of these items, call PCR Recycles at 800-654-6072.

#### Station 6 BICYCLES, TRICYCLES & SKATEBOARDS

Redmond Rotary Club will accept all reusable or repairable bikes, tricycles and working skateboards. Donation receipts are available upon request.

#### Station 7 APPLIANCES/SCRAP METAL

Any metal, auto parts, metal lawn furniture, mowers (drain all fluids), BBQ stoves, all appliances (stoves, microwaves, dishwashers, washers/dryers, hot water tanks) metal frame doors/windows, screen doors, exercise equipment, and gas powered equipment. No butane/propane/freon/helium tanks or cans that contain chemicals. These items will be accepted through King County's Household Hazardous Waste program (see next page).

#### Station 8 REFRIGERATORS/FREEZERS

Household units ONLY. Also accepts air conditioning. A \$20 fee, (tax included) is charged for each type of unit for safe removal and disposal of chlorofluorocarbons (CFC coolants). CASH ONLY accepted at the drop-off.

**NOTE:** USED MOTOR OIL\*, ANTIFREEZE & PETROLEUM products are NOT accepted at the event but accepted at the Wastemobile, which also accepts other types of household hazardous materials. Please see next page for more information. \*Used motor oil is also being recycled through the current curbside program. Please call Waste Management at 425-814-1695 for more information about properly setting out oil at the curb for recycling.

## Residents Only

**Stations 9 through 13 are for Redmond city-limit households only. (An event pass or proof of Redmond city-limit residency is REQUIRED to drop off materials at the following stations.)**

❑ **Station 9**

**BULKY GARBAGE**

Broken furniture (including mattresses), large broken toys, toilet seat covers, garden hoses, non-recyclable plastics and non-construction debris. No sod or regular household garbage accepted. No TV sets, computers or monitors (collected at Station 1).

❑ **Station 10**

**STUMPS & LARGE TREE BRANCHES**

Logs, firewood, and large tree limbs (a minimum of 4 inches in diameter). No sod, leaves, grass clippings, or tree limbs smaller than 4" in diameter! Vehicles not following the above description will NOT be allowed entry! Please read RESTRICTIONS FOR WOOD WASTE (at right) or call the Recycling Office at 425-556-2811 with questions.

❑ **Station 11**

**CONSTRUCTION DEBRIS**

All types of lumber (treated and painted included): plywood, pallets, particleboard, dimension lumber, fence materials, etc.; All construction debris: doors, windows, carpets, drywall, floors, decks, window glass, insulation/roofing materials, railroad ties, etc. No TV sets, computers or monitors (collected at Station 1).

❑ **Station 12**

**BRICKS, ROCKS, ASPHALT & CONCRETE**

Pure bricks, rocks, asphalt and concrete only (for example: no concrete with fence poles). Hardened concrete mix in bags is accepted. Accept a maximum volume of 300 lbs (about 1/3 capacity of a half-ton pickup). No large loads, which can be disposed of for a marginal fee at Wolford in Woodinville (8625 219th St. SE), Monday through Friday. Call Wolford at 425-481-1801 for details.

❑ **Station 13**

**CERAMIC SINKS & TOILETS**

All types of ceramic sinks and toilets are accepted. Please REMOVE wax rings at the bottom and wooden or plastic toilet seat covers. Metal sinks and metal toilet parts are accepted as scrap metal at Station 7.

*The next City sponsored recycling event will be in the Fall on Saturday, Oct. 6, 2007, collecting all of the same materials (Stations 1-13) at this same location.*

## Restrictions for Wood Waste (\*No Exception)

**A**t the event, we accept only tree stumps, tree branches, firewood and logs that are 4 inches or larger in diameter. We WILL NOT ACCEPT regular yard debris, defined as small branches (less than 4 inches in diameter), grass clippings, leaves or sod. We will DENY ENTRY to any vehicle bringing regular yard debris (or even a load mixed with regular yard debris). Any small branches (less than 4 inches) must be sawed off from big ones (4 inches or larger) and only the latter can be brought to the event. This rule will be strictly enforced to avoid material contamination. The wood collected at the event is recycled, requiring a different process; even a small amount of regular yard debris will contaminate an entire load of bulky wood materials and make the wood non-recyclable. The City must then pay a higher fee to dispose of the contaminated loads as garbage. **Please prepare your wood waste accordingly and bring only those acceptable items to the event. We appreciate your understanding and cooperation.**

Regular yard debris **except sod** is collected weekly between March and November, and bi-weekly between December and February, through the City's curbside-recycling program. If you have more than can fit into your black yard debris toter, and you do not wish to pay the extra curbside collection fee, you can take your yard debris to one of the local private composting facilities, which will charge you as well. For more information, please call the King County InfoLine at 206-296-6540 or the Redmond Recycling office at 425-556-2811.

**\* Vehicles not in compliance with event requirements and restrictions will be denied entry. Vehicles may return only after the unacceptable items have been removed.**

## We DO NOT Accept the Following Materials at the July 21st Event

### Category A

- ✗ Regular trash picked up at curbside
- ✗ Yard debris collected at curbside (such as grass clippings, leaves and tree branches less than 4 inches in diameter)

- ✗ Recyclables picked up at curbside
- ✗ Saw dust and Sod (accepted for a small fee at Pacific Topsoil 425-882-9194)

### Category B – Household Hazardous Materials

- ☠ Latex and oil-based paints
- ☠ Thinners & solvents
- ☠ Pesticides
- ☠ Glues, adhesives & aerosols
- ☠ Hobby chemicals
- ☠ Toxic cleaning products
- ☠ Fluorescent light bulbs
- ☠ Products with Mercury
- ☠ Butane and propane tanks (empty or full)
- ☠ Used motor oil, gasoline, diesel and kerosene
- ☠ Antifreeze & automobile fluids

**The Category B items can be disposed of safely in King County free of charge. Please refer to the two disposal options listed below.**

## Two Disposal Options

Wondering what to do with those cans of old paint, thinner, or weed killer rusting away in your garage? Bring them either to the Factoria Household Hazardous Waste Drop-Off Facility or to the Household Hazardous Wastemobile. There is no charge to dispose of your household hazardous wastes. The size limit is a 5-gallon container or smaller. The daily quantity limit is 30 gallons per vehicle. If what you have exceeds either the size- or quantity-limit, you should call 206-296-4692 to get prior approval for a drop-off or for other disposal options. Customers will not get their containers back at the Factoria facility. To avoid delays, if possible go during weekdays or in the mornings. Please keep products in original containers or if unlabeled, label them. For information, call the Household Hazards Line at 206-296-4692 or visit [www.govlink.org/hazwaste/house/diposal/](http://www.govlink.org/hazwaste/house/diposal/).

## Factoria Household Hazardous Waste Drop-Off Facility

**Location:** 13800 SE 32nd Street, Bellevue

**Dates:** Tuesday – Sunday, except holidays **Hours:** 9am to 5pm

## Wastemobile Comes to Redmond

**Location:** Home Depot Parking Lot (entry on NE 76th Street)

**Date:** July 21st **ONLY** **Hours:** 10am to 5pm

Event funding provided by: The City of Redmond Recycling Program, the King County Solid Waste Division, and the Local Hazardous Waste Management Program in King County and DOE.
