## Rain Barrel & Compost Bin Sale

To encourage the use of recycled content material and more efficient use of water, the cities of Burien and Normandy Park are offering recycled plastic **rain barrels** at a huge discount. In addition, start backyard composting with a **compost bin** to save resources and money. Composting is a natural process that turns yard waste into rich soil. Yard waste—grass, leaves, old flowers—contain mostly water. Once the material decomposes, rich soil is all that's left.

**\$20 each. Cash only. While supplies last. No pre or post event sales.**
