## Note for the "Big Three" of Electronics!

No TV sets, monitors or computers (the "big three") will be accepted at this event. Thanks to the E-Cycle Washington Program, manufacturers must now take back all TV sets, monitors and computers free of charge. Drop off any of the "big three" at:

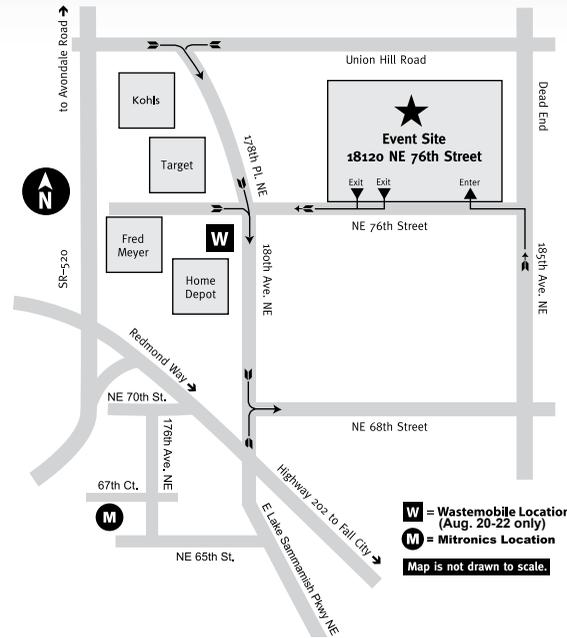

**Mitronics (phone: 425-883-8881)**  
**17455 NE 67th Ct, #100, Redmond**  
**Mon-Fri 9:00am - 4:00pm**

Open especially for the Summer event  
On Saturday July 17th (9:30am - 4:00pm)

Mitronics accepts only the "big three" as eligible items for free drop-off. All other types of electronics may be accepted for a fee. For working computers with buyback potential, call Computer Surplus at 425-497-1945 or visit its store at 16715 Cleveland St. Single-family Redmond residents can also recycle the "big three" (TVs up to 21 inches) along with a variety of other electronics through the curbside program. Pickup requires no advance scheduling between **July 5th - 30th**. You are still required to call Waste Management at 425-814-1695 to schedule a free pickup for all other dates.

**ALERT!** Vehicles not in compliance with event requirements and restrictions will be denied entry. Vehicles may return only AFTER the unacceptable items have been removed. Current law requires drivers to secure their loads when using public streets. When coming to the event, participants not complying with this law can be fined. All participants must strictly follow the event route as shown on the map. Please be patient and flexible. Don't block the driveways/exits of businesses on NE 76th St. while waiting in line. The drop-off stations are set up in numbered order as listed by each material. To quickly and easily unload at each station, please pack your items for the stations in DESCENDING ORDER - last item placed in your vehicle will end up being the first item out!

**Funding** provided by the City of Redmond Recycling Program, the King County Solid Waste Division, the Local Hazardous Waste Management Program in King County and the Department of Ecology.

The event entrance and exit routes will be strictly enforced. Please study the map and the event restrictions before coming.

## Entry & Checkpoint

Upon arrival at the entry, greeters will verify the acceptance of materials and proof of Redmond city-limit residency for Stations 12-16. Please read the following information and follow the rules and restrictions, which are strictly enforced.

**Special Request!**

Bring a monetary contribution and/or at least 2 cans of nonperishable food items to support those in need in our city during these hard economic times. (See details under Station 1.)

**Station 1: Food Donation**

Hopelink will collect nonperishable food for those in need in our community. Possible foods: canned tuna fish, pasta, canned fruit, peanut butter, macaroni and cheese, cereal, baby food, canned/jarred tomato products, and nonperishable juice. A cash donation, however, makes the BIGGEST impact. Please write your donation check payable to Hopelink. Thanks!

**Station 2: Paper Shredding**

(Open between 10:30a.m. to 2:30p.m. only)

(Note: For sensitive materials only. Come directly to this station if that's all you have for the event. Please visit any other stations first and then come back to this station at the end.) Free shredding up to 5 boxes (13" in width by 13" in depth by 18" in height) or 5 standard grocery bags for each household. \$5 for each additional. Cash or checks payable to "Frontline Shredding"; No hanging folders, ring-or spiral- binders. Staples, clips and fasteners can stay on. Please take home your boxes/containers when done. Thanks!

**Station 3: Tires**

Light truck, car and motorcycle tires. Bias, steel belted and studded tires are okay. Free for first 6 off-rim tires; \$1.50 for each additional and \$2.00 for every on-rim tire. Pay at the drop-off with checks ONLY, payable to "City of Redmond".

**Station 4: Bicycles, Tricycles & Skateboards**

Redmond Rotary Club will accept all reusable or repairable kid and youth bikes, tricycles, scooters, and working skateboards. Reusable adult bikes will be accepted at Station 6 for "Household Goods" (Adult bikes in need of repair will be accepted at Station 11 for Scrap Metal.)

**Station 5: Plastic Plant Containers**

Black rigid and round plastic containers only. Unbroken without cracks. Accepting only: 1-gallon (6½" diameter & 7" height); 2-gallon (8½"d & 8½"h); and 5-gallon (11"d & 12"h). Please rinse them clean.

**Station 6: Household Goods**

Clothing, textiles including rags, books, furniture, etc. Adult bikes in good shape, requiring no repair. Furniture items must be reusable as is. Tax receipts available. Mattresses or any items that need repair will be accepted as bulky garbage at Station 12.

**Station 7: Batteries**

Lead acid batteries: car, truck, marine and motorcycle. All household batteries (both regular and rechargeable). Please sort according to types and sizes.

**Station 8: Laser / Ink Jet Cartridges, Cell Phones & Pagers**

ALL laser/ink cartridges used in printers or fax machines. The vendor will pay \$1.00 each for most VIRGIN cartridges and for most working cell phones. Previously recharged cartridges will not be bought back but will be accepted for recycling free of charge. If you have a large amount of any of these items, call PCR at 1-800-654-6072.

**Station 9: Refrigerators, Freezers & Air Conditioners**

Household units ONLY. \$25.00 for each unit. The fee is for the safe removal and disposal of chlorofluorocarbons (CFC coolants) from those units. CASH ONLY accepted at the drop-off.

**Station 10: Electronics**

Anything electrically wired or battery-operated (including flashlights) EXCEPT TV sets, monitors and computers which will be collected for free at Mitronics or at the curb (see Note for the "Big Three" on Page 1).

**Station 11: Appliances/Scrap Metal**

Any metal, auto parts, metal lawn furniture, mowers (drain all fluids), BBQ stoves, appliances (stoves, microwaves, dishwashers, washers/dryers, hot water tanks), metal frame doors/windows, screen doors, exercise/gas powered equipment. No butane/propane/freon/helium tanks or cans that contain chemicals, which are accepted through King County's Household Hazardous Waste Program (see page 4).

**This event pass or proof of Redmond city-limit residency is REQUIRED to drop off materials at the following stations.****Station 12: Bulky Garbage**

Broken furniture (including mattresses), large broken toys, toilet seat covers, garden hoses, speakers, non-recyclable plastics and non-construction debris. No sod, railroad ties or regular household garbage accepted.

**Station 13: Stumps & Large Tree Branches**

Logs, firewood, and large tree limbs (a minimum of 4 inches in diameter). No sod, leaves, grass clippings, or tree limbs smaller than 4" in diameter! Vehicles not following the above description will NOT be allowed entry! Please read RESTRICTIONS FOR WOOD WASTE (at right) or call the Redmond Recycling Office at 425-556-2811 with questions.

**Station 14: Construction Debris**

All types of lumber (treated and painted included): plywood, pallets, particleboard, dimension lumber, fence materials, etc. All construction debris: doors, windows, carpets, drywall, floors, decks, window glass, insulation/roofing materials, etc. No sod, railroad ties or regular household garbage accepted.

**Station 15: Bricks, Rocks, Asphalt & Concrete**

Pure bricks, rocks, asphalt and concrete only (for example: no concrete with fence poles). Hardened concrete mix in bags is accepted. Accept a maximum volume of 300 lbs (about 1/3 capacity of a half-ton pickup). No large loads, which can be disposed of for a marginal fee at Wolford in Woodinville (8625 219th St. SE), Monday through Friday. Call Wolford at 425-481-1801 for details.

**Station 16: Ceramic Sinks & Toilets**

All types of ceramic sinks and toilets are accepted. Please REMOVE wax rings at the bottom and wooden or plastic toilet seat covers. Metal sinks and metal toilet parts are accepted as scrap metal at Station 11.

**RESTRICTIONS FOR WOOD WASTE (NO EXCEPTION\*)**

At the event, we accept only tree stumps, tree branches, firewood and logs that are 4 inches or larger in diameter. We WILL NOT ACCEPT regular yard debris, defined as small branches (less than 4 inches in diameter), grass clippings, leaves or sod. We will DENY ENTRY to any vehicle bringing regular yard debris (or even a load mixed with regular yard debris). Any small branches (less than 4 inches) must be sawed off from big ones (4 inches or larger) and only the latter can be brought to the event. This rule will be strictly enforced to avoid material contamination. The wood collected at the event is recycled, requiring a different process; even a small amount of regular yard debris will contaminate an entire load of bulky wood materials and make the load non-recyclable. The City must then pay a higher fee to dispose of the contaminated loads as garbage. Please prepare your wood waste accordingly and bring only those acceptable items to the event. We appreciate your understanding and cooperation.

Regular yard debris except sod is collected weekly between March and November, and bi-weekly between December and February, through the City's curbside-recycling program. If you have more than can fit into your black yard debris toter, and you do not wish to pay the extra curbside collection fee, you can take your yard debris to one of the local private composting facilities, which will charge you as well. For more information, please call the King County InfoLine at 206-296-6540 or the Redmond Recycling office at 425-556-2811.

\* Vehicles not in compliance with event requirements and restrictions will be denied entry. Vehicles may return only after the unacceptable items have been removed.
